- Past assignments include:
  - Quality Director for Rahn Systems International [ISO 9001:2008 & AS9100C compliant]
  - Quality Director for Intertek Consumer Goods – Arlington Heights, IL [directing both Labtest Hardlines & Textiles laboratories through the achievement and maintenance of ISO 17025 accreditation from ACLASS – Intertek Consumer Goods also administered the JPMA Product Certification Program and is certified by the United States Consumer Products Safety Commission (CPSC)). (2008-2010)
  - Quality Director for Intertek Labtest – Springfield, NJ location (1998-2006) and Program Director for the Intertek Services SA8000 Certification Program – establishing operations in Asia, Europe & the Americas)
  - Quality Coordinator for American Cargo Assurance (2009) [initially ISO 9001:2008 Registered by NQA, USA; transitioned to ISO 9001:2008 registration by QMI]
  - Quality Director for bestroute.com [a new business start-up that achieved ISO

9002:1994 registration from Intertek Systems Certification]
- o "Director & Subject Matter Expert" for "Clearaudit" (May 1, 2007 thru June 20, 2009)
- o "Quality Director" for OkyDoky.com (Nov. 2011 thru Dec. 2014)
- Management and quality system consulting. Activities typically include:
  - o Assisting clients in:
    - developing and refining their *Business Model* (incl. Strategic Planning)
    - implementing Lean Six Sigma management systems
    - performing *Value-Added Assessments* of their Business Model
    - developing and implementing effective risk management systems
    - Implementing SMART action plans
    - Obtaining GAFTA Certification (Superintending, Analytical & Fumigation)
  - o Making recommendations and assisting clients in *Kaizens* & *re-engineering* projects
  - o Making recommendations and assisting clients in developing electronic (paperless) documentation systems (accessible on computers, iPads / Tablets, etc.), such as:
    - Web-based document / knowledge management systems (such as, "DokuWiki" & "Microsoft Teams")
    - LAN/WAN based document distribution systems (e.g., PDF, LibreOffice/OpenOffice, Microsoft Word, Microsoft Excel)
    - eBook files (e.g., ePub)
  - o Training of client personnel for internal auditing and quality system implementation
  - o Advising clients of actions necessary to fully implement ISO 9001, ISO 17020, ISO 17025, or Gafta compliant quality systems. Current and past consulting clients include:
    - Precision Metal Manufacturing [AS9100 registered by Orion]
    - R&G Laboratories, Inc. [ISO 17025:2017 accredited by ANAB]
    - Thionville Surveying Co. [previously ISO 9001 registered by NQA, USA]
    - American Cargo Assurance [ISO 9001:2008 Registered by NQA, USA]
    - Eurofins Central Analytical Laboratory [ISO 9001:2008 Registered by NQA, USA]
    - ICQ (USA), Inc. [ISO 17025 accredited by A2LA]
    - ElectroRent [ISO 9001:2008 Registered by NQA, USA]
    - Bell Microproducts [ISO 9001:2000 Registered by Intertek Systems Certification]
    - Network Courier Services [ISO 9001:2000 Registered by NQA, USA]
    - Trademark Computer [ISO 9002:1994 Registered by NQA, USA]
    - Triton Fumigation, LLC [GAFTA Certified Fumigator]
- Performing ISO 9001 & AS9100 assessment and surveillance activities for registrars and ISO 17020 / 17025 accreditation bodies. Past and present registrars and accreditation bodies include:
    - A2LA (ISO 17025)
    - ABS Quality Evaluations (AS9100)
    - ACLASS (ISO 17020 & ISO 17025)
    - Intertek (ISO 9001 & AS9100)
    - NQA-USA (ISO 9001 & AS9100)
    - Perry Johnson Registrars (AS9100)
    - Platinum Registration (ISO 9001 & AS9100)
    - STR-R/UL (AS9100)
    - VCA North America (ISO 9001)
  - o Responsibilities include: Scheduling, planning, and coordinating effective and efficient performance of pre-audit, assessment, surveillance, and re-assessment activities (i.e., auditors / assessment teams at multiple sites [per IAF MD1]) for a diverse variety of clients.
  - o Making recommendations based upon information gathered during pre-audit, assessment, surveillance, and re-assessment visits (i.e., recommending the granting, continuance, or withdrawal of registration) for various ISO 9001 / AS9100 registrars and ISO 17020 / ISO 17025 accreditation bodies
  - o Performing marketing / sales presentations and advisory visits
  - o Providing independent (internal) auditing services. Current and past clients include:

Richard Clarke Randall

- Quality Auditing, LLC – Minneapolis, MN
- R&G Laboratories, Inc. – Tampa, FL [ISO 17025:2017 accredited by ANAB]
- Intertek Consumer Goods – Arlington Heights, IL, Oak Brook, IL & Springfield, NJ locations

May 1993 –
August 1995

National Quality Assurance - U.S.A.
(An ANAB Accredited Quality Management System Registrar)
Acton, MA
Southeast Regional Director

Directing NQA, USA regional operations included:
- Scheduling, planning, and coordinating effective and efficient performance of ISO 9000 pre-audit, assessment, surveillance, and re-assessment activities (i.e., auditors / assessment teams at multiple sites)
- Making recommendations based upon information gathered during pre-audit, assessment and surveillance visits (i.e., recommending the granting, continuance or withdrawal of ISO 9000 registration)
- Review and acceptance of client corrective action plans
- Training, development and monitoring the performance of internal and external auditors
- Preparation of reports and compiling relevant correspondence
- Performing marketing / sales presentations and advisory visits
- Business development, budgeting, and cost control
- Maintaining favorable client relations
- Representing NQA in industry and quality forums including ASQ, NCSLi, ISO 9000 User Networks, etc.

July 1990 –
May 1993

General Electric (GE)
Norcross, GA
National Quality Manager

Directing the GE Electronic Services National Quality System included:
- Maintaining, revising and updating the GE Electronic Services Quality Management System (Quality Management System manual and Standard Operating Procedures manual) as driven by industry and customer demand
- Responsibility for cost factors involved in implementation of the quality system
- Maintaining ISO 9002:1994 Quality System Registration (obtained from NQA, USA) for the entire GE Electronic Services business (20 sites)
- Maintaining compliance with 10CFR50 – Appendix B and 10CFR21 for the entire GE Electronic Services business (supporting Nuclear Power Plant customers)
- Maintaining A.A.R. M-1003 Quality System Certification for the GE Transportation Services segment of GE Electronic Services (St. Louis, MO and Minneapolis, MN)
- Reviewing, interpreting, and evaluating relevant industry guidelines and standards for compliance and / or inclusion in the GE Electronic Services Quality Management System
- Providing consultation and assistance in administration of the Quality Management System
- Conducting internal audits of all (20) GE Electronic Services facilities
- Conducting supplier / sub-contractor quality audits, and maintaining the GE Electronic Services approved vendor list (reducing our sub-contractor base and redirecting work internally saved GE >$100k/Year)
- Providing an effective interface for, and directing responses to customer audits
- Developing, planning, and implementing quality and associated technical training (including internal auditors)
- Developing, scheduling, coordinating, and implementing special projects including cost estimating, proposal writing, execution and follow-up
- Assisting in developing enhancements for the automated GE Electronic Services Business System (Computer scheduling, planning, and tracking system)
- Representing GE Electronic Services in industry and quality forums including ASQC, NCSL, GE CMSG, Measurement Science Conference, ISO 9000 User Networks, etc.

Richard Clarke Randall

- Assisting other GE Businesses in preparation for their ISO 9000 registration, including GE Rental Lease, GE Computer Service, GE Transportation Systems, and GE Instrumentation Services – Canada

Dec. 1989 – July 1990	General Electric (GE) Norcross, GA National Quality Assurance Specialist

Dec. 1986 –
Dec. 1989

General Electric (GE)
Norcross, GA
Electronic Technician / Metrologist / Quality Control Representative
- On loan to NBC (July 1, 1987 – Oct. 23, 1987) to support 4 WRC-TV, Washington, D.C. operations during the NABET strike.

Sept. 1984 –
Dec. 1986

General Electric (GE)
Norcross, GA
Electronic Technician / Metrologist

Aug. 1980 –
Sept. 1982

Patterson Pump Company
Toccoa, GA
Machinist / Sheet Metal Bender / Welder / Drill Press Operator

Nov. 1977 –
Sept. 1979

Coats & Clarke, Inc.
Toccoa, GA
Thread & Yarn Handler

June 1977 –
Oct. 1977

BMR Fabricators
Toccoa, GA
Sheet Metal Bender / Spot Welder / Warehouseman

Certifications / Licenses

- "AS 9100 Aerospace Auditor" – Probitas Authentication Certificate No. 1619032756. Auditor OIN 6128525982. Previously Exemplar Global certified "AS9100 Aerospace Auditor" - Certification No. 110366.
- Formerly an IRCA Certified "QMS Principal Auditor" (ISO 9000) - Certification No. A005891 (1993-2018)
- Lean Six Sigma Green Belt (Certified by GoLeanSixSigma.com)
- Certified 5S Workplace Organization Specialist (Certified by Michael Parent)
- ISO/IEC 27001 Information Security Associate™ (Certified by SkillFront), January 10, 2023
- NTEP VCAP Auditor (Certified by NQA-USA), May 17, 2017
- FCC "General Telephone Operator License" # PG-6-8438, Issued August 9, 1984

PROBITAS AUTHENTICATION

Probitas Authentication certifies

RICHARD RANDALL

Has satisfied the requirements of

Aerospace Quality Management System Auditor

With the following scope and grade

AS9100 Aerospace Auditor

CERTIFICATION DATE: DECEMBER 14, 2021
EXPIRATION DATE: DECEMBER 14, 2024
CERTIFICATION NUMBER: 1619032756

Director of Probitas Authentication

GREEN BELT CERTIFICATION

COURSE VERSION 2017

GOLEANSIXSIGMA.COM PROUDLY RECOGNIZES THAT

Richard Randall

HAS SUCCESSFULLY COMPLETED TRAINING AND CERTIFICATION FOR

Lean Six Sigma Green Belt

Validity of this Certificate may be verified at GoLeanSixSigma.com/Verify or by scanning the QR code to the right.
